Please Subscribe Now to the 2011 Laurelhurst Private Security Patrol

January 2011

Dear Laurelhurst Neighbor,

Thanks to those who subscribed in 2010, LCC launched a Private Security Patrol to support its crime prevention efforts and provide another layer of security for the neighborhood. Due to the positive response to the program and the desire to do all we can to deter car prowls, auto thefts and vandalism in Laurelhurst, LCC is continuing the Private Security Patrol. Its success depends on your participation, and we would like you to subscribe now for 2011.

The patrol boundaries cover the entire neighborhood area south of Sand Point Way from Mary Gates Way to NE 55th Street. As before, coverage is planned for six nights a week, but nights and hours may vary depending on funding contributed.

The annual cost per family is **\$200** for the period ending December 31, 2011. Neighbors can join at any time during the year. Neighborhood institutions such as schools, churches, etc. are encouraged to participate, too; please contact us for details.

This is what your family receives in return for your participation:

1. Uniformed, off-duty Seattle Police officers patrol the neighborhood in their personal vehicles approximately six nights a week for five hours. Officers are in uniform; carry police radios and their police firearms. They monitor incoming 911 calls and will respond while waiting for official response from the on duty police officers. In 2010, our patrol responded to several incidents and were the first on scene before on-duty Seattle Police arrived.
2. Vacation check. Officers do a walk around of your premises during each shift and secure any open doors, exposed packages or remove door tags. They call your emergency contact number with any concerns or leave an incident card for minor issues (for example, if they shut your garage door).
3. Your concerns relayed to officers before each shift. Email LCC's crime prevention team, crimeprevention@laurelhurstcc.com, to request vacation checks or to report any criminal activity (after you have called 911), neighborhood concerns, etc.
4. Special email alerts and reminders. LCC emails information on criminal activity and trends.

Always call 911 first for any emergency or criminal activity.

To participate, please use LCC's secure online payment option (preferred) at www.laurelhurstcc.com, or send your \$200 check payable to the Laurelhurst Community Club and return it in the enclosed envelope. If you pay by check, please be sure to include the form below with your name, address, email, and emergency contact information.
